We don't typically print out the slides. I will print a few copies of the jurisdictional map so that people can see it up close.

I'll add my slides (jurisdictional info) to yours and will send the powerpoint back to you shortly.

Thanks,
-Rick

Hi Rick,

I just forwarded you a copy of my final draft (Power Point). Ken has the same copy, so I'm certain I will receive comments from him if he sees something he doesn't like.

For these Power Point presentations to upper management, do we typically hand them a hard copy of the Power Point presentation in advance, following the presentation, or not at all? Thanks.

Glenn
